Of the \$180 Buy-In, \$40 will be withheld for Entry Fee. \$140 remaining will form the prize pool.

1. This will be a No-Limit Texas Hold'em tournament. This is a team event in which players will periodically switch tables/seats with their partner. This is done randomly at the organizers discretion.
2. The entry fee for this tournament is \$540. All Ladies will receive a 2/3 discount and may enter for \$180. All players will start with 20,000 in chips.
3. Registration will open one (1) hour prior to the start of the tournament and close at the beginning of the ninth level after the tournament begins ("entry fee period").
4. Players registering before the tournament begins will have their chips in play at the beginning of the tournament and will be blinded off as the tournament progresses.
5. Players entering after the start of the tournament will receive a full 20,000 stack of tournament chips when seated. They acknowledge the tournament has already started, time has expired from the tournament clock and that the blinds may have been raised.
6. A player losing all of their chips may re-enter the tournament for an additional \$180. They will 20,000 in tournament chips. Players may re-enter until the start of level 9.
7. Any player may surrender their stack at the end of the registration period. All chips in the player's current stack will be removed from play before re-entering as per rule 6.
8. If there is an alternate list, the players on the alternate list will have the first option to play in the tournament before a player that wants to re-enter during the entry fee period. An alternate that has paid the entry fee will receive the next open seat. A player that is re-entering is considered a new player and will go to the end of the alternate list.
9. The Prize Pool will be paid in casino chips.
10. No switching will take place until all players are in the same room. When a switch is called, all players must stop play immediate and must assume their partner's seat. A team is not eliminated until both players have no remaining chips and the re-entry period has expired or the team chooses not to re-enter.
11. A team Member may re-enter during the re-entry period. This entry boosts the Prize Pool.
12. Chips stacks for teams with 2 members left in the tournament will be combined when the total number of players remaining in the event is twice the number of places being paid.
13. Payouts are calculated and distributed PER TEAM.
14. You must be at least 21 years of age to participate.
15. Tournament Director Association ("TDA") rules will apply in all tournaments at the South Point. Copies of the TDA rules are available upon request as well as any variations specific to the South Point. If the TDA rules do not address the issue, South Point House rules will apply.
16. When making a decision in the tournament the floor staff will follow TDA rules whenever possible, but will consider all circumstances when making any decision. The decisions of South Point Poker Room management regarding all aspects of this tournament are final and binding.
17. South Point Poker Room reserves the right to revise, cancel, modify or suspend this tournament at its sole discretion and without prior notice.
